

Lincoln Prairie Clubs 2020-21

An important part of the LP Philosophy focuses on providing students opportunities to explore their multiple intelligences in areas that interest them. In an effort to help provide your child with all the many wonderful clubs taking place this year, we compiled a reference brochure so you see which clubs will be taking place virtually through Lincoln Prairie this school year. As clubs draw closer to their start date we will post their flier and permission slip on the Lincoln Prairie Website.

If you have general questions regarding clubs please call or email our Assistant Principal, Amanda Moore.

Grades K-1
