

Please join Mrs. Hamada in the Virtual

# Music Composition Club

Starting on Wednesday, October 7th!

**Grade levels invited:** 6, 7, 8

**Dates of club meeting:** October 7-December 16

**Time:** 8:15-9:15 AM

**About This Club:** In the new music composition club offered this year, we will explore different types of programs and techniques to create music through both standard notation and through digital loops and recordings. Students will learn basic music theory concepts that will help to enhance their music creation, and students will have many opportunities to share, collaborate, and give feedback on each other's compositions.
