

Please join Miss Girgis in Virtual **Battle of the Books Club** starting **Wednesday, November 4th!**

Grade levels invited: 5th & 6th

Dates of club meeting: Wednesday mornings

Time: 8:30-9:00 AM via Zoom

Club Info:

Do you enjoy reading?
Are you good at remembering the details of a book?
Are you just a little bit competitive?
Can you work with others?

If you answered yes to these questions, Battle of the Books is the club for you!

How often do we meet? Once a week from November through the end of April.

What kind of commitment is involved? Each student will read 12 books between November and the end of March. Most reading will be on your own time. You will also participate in writing and answering questions about the books you read. As well as participate in practice competitions.

Can I choose the books I want to read? No. The district chooses the books for us so that we can compete in April.

What will we do? Each week you will come up with questions about the books you have finished. We will use the questions you write to take part in practice competitions with one another, and possibly other schools.

Interested in signing up?

Fill out this [permission slip](#) (please click on the link) and the club sponsor will reach out to parents and/or students, prior to the first day of club, with a zoom link.

There will be a limited number of slots available for your child to sign up, so please fill out the above permission slip by **Thursday, October 29th!** I will use a lottery system to fill the club spots if we receive more permission slips than we have available spaces.
